Seasonal Service – GardaWorld is pleased to announce the availability of seasonal service from October 1, 2025 to January 15, 2026. Subject to incremental fees, this service is designed to accommodate the increased demands of the season. Please direct all requests to SeasonalServiceBilling@garda.com.

Holiday Changes - Holiday service requests must be communicated to GardaWorld at least **four weeks** prior to the scheduled holiday. These requests will be serviced on a “best effort” basis and subject to additional fees based upon your contractual terms. If any of your locations’ regular service day falls on any of the listed holiday dates, and service is requested you will be charged your holiday rate. If you opt out of regularly scheduled service that falls on the designated holiday date, your next service date will be your regular scheduled day of service. Any requests submitted after the four-week deadline will not be guaranteed.

If holiday service is requested and the branch is not open or cannot service on the holiday, the location may be serviced up to 5 days before or after the holiday (based on branch availability) at your off-day rate.

All customers should contact their Support Group or email holidaybilling@garda.com to submit holiday requests. All requests should include your company’s name and client number, which can be found in the top portion of your monthly invoice. Please also include the individual Garda site numbers for each requested location.
